I. INTRODUCTION

1. This group comprises 365 claims (Claims) in category A2.2 – Missing Immediate Family Member (Group).*
2. The Claims have been reviewed by the Secretariat in accordance with Article 19 of the Rules Governing the Submission, Processing and Recording of Claims (Claims Rules).

II. METHODOLOGY

3. The Group was formed by the Secretariat according to the following criteria:
 - a. the Claims were filed by natural persons who are Ukrainian nationals;
 - b. the Claims were filed by Claimants on their own behalf;
 - c. the immediate family relationship is confirmed by an entry in Ukraine's Register of Civil Status Acts (Register of Civil Status Acts);
 - d. the missing family member is registered in Ukraine's Unified Register of Persons Missing under Special Circumstances (Register of Missing Persons);
 - e. the missing family member is a member of the Ukrainian Armed Forces;
 - f. as per the Claimants' submissions, the disappearance occurred on or after 24 February 2022;
 - g. as per the Claimants' submissions, the missing family member disappeared in the territory of Ukraine;
 - h. as per the Claimants' submissions, the family member went missing: (i) in the area of hostilities (during hostilities), (ii) in the area of hostilities or possible hostilities (without participation in hostilities), (iii) during shelling or air attacks, (iv) as a result of abduction or unlawful deprivation of liberty, (v) during evacuation from areas of hostilities, possible hostilities, or temporarily occupied territories, or (vi) as a result of other circumstances linked to the internationally wrongful acts of the Russian Federation;
 - i. as of their date of submission, the Claims concern a family member who remains missing and has not been found;

* The Group originally comprised 372 Claims. This corrigendum removes seven claims from the Group. The removal has become necessary due to a technical issue in the confirmation of the necessary immediate family relationship by the Register of Civil Status Acts.

- j. the Claims fulfil the general requirements set out in Articles 10 and 13 of the Claims Rules, as well as the technical requirements prescribed by Article 17 of the Claims Rules; and
 - k. the Claims have not been the subject of a Board decision to date.
4. The Board has reviewed the criteria and the methodology applied by the Secretariat to identify and select the Claims in the Reparations Claims Management System (RCMS) for inclusion in the Group. Moreover, the Board has assessed the verification conducted by the Secretariat to ensure that the Claims meet the eligibility criteria.
5. The Board recalls its previous determination that, in accordance with Article 19(3) of the Claims Rules, it is appropriate for the Secretariat to rely on data from the Register of Missing Persons as proof of the disappearance of a person.¹

III. ASSESSMENT

6. Article 6.5(c) of the Statute of the Register of Damage Caused by the Aggression of the Russian Federation against Ukraine (Statute) provides that the Board has the “ultimate authority in determining the eligibility of claims to be recorded in the Register, based on the recommendation of the Executive Director”. In accordance with Article 2.1 of the Statute, the Register’s role is to assess and determine the “eligibility of claims for inclusion in the Register” and to record eligible claims “for the purposes of their future examination and adjudication”. The Register does not have any adjudicative functions with respect to such claims, including a determination of responsibility and an allocation of any payments or compensation.
7. On this basis, the Board considers that in the performance of its functions under the Statute, its role is limited to ascertaining whether the criteria for the eligibility of claims submitted, as laid down in Article 2.2 of the Statute and Article 18 of the Claims Rules, have been met. This determination is made applying a *prima facie* standard of review of the evidence and information in the recommendation of the Executive Director.
8. The Board notes that the Claims concern the disappearance of individuals who are members of the Ukrainian Armed Forces and may therefore qualify as combatants.² The Board recalls its previous determination that claims for the death of combatants can be recorded in the Register if they otherwise meet the eligibility criteria, and that decisions on the merits of these claims and the underlying legal principles are for a future Claims Commission to make.³ Therefore, the Board decides that the Claims,

² The Group does not include claims concerning members of the Ukrainian Armed Forces who do not qualify as combatants, such as medical and religious personnel.

³ See e.g. Board Decision on Group G-A2.1-000002 (17 March 2025) RD4U-Board-CLD(2025)04 [7]-[11].

which relate to the disappearance of combatants, can in principle be recorded in the Register if they otherwise meet the eligibility criteria.

9. Pursuant to Article 18 of the Claims Rules, claims shall be eligible for recording if they meet the following criteria:
 - a. the claims are submitted by or on behalf of an eligible Claimant;
 - b. the claims are for damage, loss, or injury that occurred on or after 24 February 2022;
 - c. the claims are for damage, loss, or injury that occurred in the territory of Ukraine within its internationally recognised borders, extending to its territorial waters; and
 - d. the claims are for damage, loss, or injury that was caused by the Russian Federation's internationally wrongful acts in or against Ukraine.
10. Claims cannot be recorded in the Register if they are manifestly unfounded.
11. The Claimants in the Group are natural persons of Ukrainian nationality who have submitted Claims on their own behalf. The Claims contain data from the Register of Civil Status Acts, which confirms the immediate family relationship between the Claimant and the missing person. As noted in previous decisions, the Board considers that a relevant entry in the Register of Civil Status Acts constitutes proof of the existence of a necessary immediate family relationship between the Claimant and the missing person as foreseen by paragraphs 3.3 and 3.4 of the Claim Form and Rules for claims category A2.2 (i.e. parent, child, or spouse).⁴
12. The Claims concern immediate family members who went missing on or after 24 February 2022 based on the date of event indicated by the Claimants.
13. The Claims concern persons who went missing in the internationally recognised territory of Ukraine, as indicated by the Claimants.
14. The Claims concern individuals whose disappearance, as per the Claimants' submissions, occurred: (i) in the area of hostilities (during hostilities), (ii) in the area of hostilities or possible hostilities (without participation in hostilities), (iii) during shelling or air attacks, (iv) as a result of abduction or unlawful deprivation of liberty, (v) during evacuation from areas of hostilities, possible hostilities, or temporarily occupied territories, or (vi) as a result of other circumstances linked to the internationally wrongful acts of the Russian Federation. The Claims are supported by an entry in the Register of Missing Persons.

⁴ See e.g. Board Decision on Group G-A2.2-000001 (n 1) [11].

15. In addition, the Claims concern missing persons who are members of the Ukrainian Armed Forces. Accordingly, their disappearance is *prima facie* linked to the internationally wrongful acts of the Russian Federation.⁵
16. The Board therefore determines that the eligibility criteria in Article 18 of the Claims Rules for recording the Claims in the Register are met.

IV. DECISION

17. Pursuant to Articles 2.2 and 6.5(c) of the Statute and Articles 21(7) and (8) of the Claims Rules, the Claims in Group **G-A2.2-000004**, as listed in RCMS, shall be recorded in the Register.
